How to find us?
No metter where are you coming from (Sofia, Varna or Plovdiv) we advice you to pass through the town of Elena (from south-east Bulgaria – through Sliven and Stara reka; from the other parts of the coutry use the main road Sofia-Varna, where you need to follow the signs and the road fork near the town of Liaskovets). If you have a map it is really easy. When you get to the town of Elena you just need to follow the main street. There is a place where you need to be careful (after the second square) and to take a right turn passing the Police station. This is still the main street. Continuing, you are going out of the town and the first village is 5 km later – Iakovtsi. From here you have just 500 meters.
If you need to order car transfer from an airport or another place in Bulgaria to Guest house "Trifonovi's Sisters" don't hestitate to write us on reservation@sisters-trifonovi.com.
