Additional information

Additional information: Pamporovo, the pearl of the Bulgarian ski resorts, nests in the heart of the Rhodopes mountain, 220 km from the capital Sofia, and 80 km south of the city of Plovdiv. There are ski runs of all degrees of difficulty in Pamporovo. Also, there are three cross-country runs in the resort, with total length of around 50 km. The lift system capacity is 8 600 people per an hour.

During the summer season Pamporovo attracts with mild climate, sport facilities and SPA centers. The resort also offers different programs - mountain tours, excursions and lots of other activities.

The newly built hotel Orlovetz is a modern 5 star hotel conveniently situated in the resort centre. Located next to the Hotel Perelik and linked by an underground passageway, the new addition to Pamporovo offers excellent facilities and exceptional service and quality.

This superior innovatively designed hotel offers guests the highest comfort and professional service. It enjoys a central panoramic position overlooking the mountains and pine forests. A whole range of impressive leisure facilities are on hand. The hotel has a lobby bar, room service; a classic restaurant 100 seats, which offers a wide variety of local and European dishes, a collection of selected wines and excellent service; piano-bar -50 seats. After a long day on the slopes, why not enjoy a hot drink at the Panorama Bar that offers spectacular views over the Rhodope Mountains.

The hotel offers 105 units (7 apartments and 98 double rooms) attractively fitted with bath, wc, hairdryer, cable TV, telephone, mini bar, safe, bathrobes and balcony with mountain views. Admission by magnetic card, individual safety deposit box (free) in each room and apartment.
