Additional information

Studio 2
(numbers):
Double rooms 14
(numbers):
Triple rooms 3
(numbers):
Rooms with 4 2
beds (numbers):

Additional information: Hotel Elmaz is a new hotel complex, situated in the Bulgarian Black sea resort Lozenetz and first opened in summer 2005. The hotel is situated only 15 meters away from the central beach and is a modern, four-storey building, with 21 rooms altogether. Hotel Elmaz is open during the summer season, between 1st June and 30th September. Besides the

great location only some meters away from the sea shore, Elmaz offers its guests also 24-hour open reception and free car parking.

The village of Lozenetz is situated about 60km south of Bourgas, between the village of Kiten and the town of Tzarevo. The village has a long and beautiful beach, lovely surrounding nature and unique atmosphere. The village was founded in 1924 by romantic sea-lovers from the nearby inland village of Velika. The settlement was first named 'Emberli' after a popular grape variety. Later, it was renamed into Lozenetz after the many vineyards around the village.

One of the village's local attractions is a rather high chimney with a couple of storks arriving here each and every spring to breed their offspring. Outside the village, one can take a boat trip down the Ropotamo river, famous for the thick ('Longoz') forest along its banks, otherwise typical for tropical climates.

The fact that Lozenetz is a typical fishermen settlement ensures the supply of fresh fish and the abundance of fish specialties at the village's restaurants. Locally produced wine adds to the charm of most restaurants' and pubs' menus. If you are a night-live lover you won't be bored here – there are plenty of night bars and clubs open till dawn.

Buses run regularly between Lozenetz and Bourgas and one can also hire a boat from/to the nearby port of Tzarevo.

In the Elmaz hotel there are 14 double rooms, 5 three-bedded and 2 two plus two-bedded rooms, all with:

Bathroom with shower

TV

Mini bar

Balcony

Lovely sea and beach-orientated view

An extra bed may be added if needed.
