Additional information

Additional information: Situated in the Athliman cove with its excellent climatic conditions, the 36,000 sq. m. hotel complex "Kremikovtzi – Kiten" is a picturesque paradise recess, a real island of quietness and relaxation with its forest, pools and with its architecture designed to fit the assets of the South Black Sea coast nature. The beauty of the broad-leaved trees and wealth of the Strandja Mountain's flora create a natural barrier for the noise and squash of the surrounding resort complex. Only here you can enjoy a real relaxation. The "Kremikovtzi–Kiten" complex has 180 rooms and 50 apartments, all of them up-to-date furnished, with large sea-view balconies. The beach is only

some 200 meters of the hotel, in the quite Athliman cove, the pearl of the South Black Sea coast. The restaurant of the complex offers an outstanding cousin. It has 300 places and a large summer garden terrace. At evenings there is a music band and varied entertainment program. The guests can also enjoy two pools with a pool bar, a water slide and billiards.
