Additional information

Additional information: Location:
Zora Holiday village is situated next to the famous Holiday village Sunny beach, in an area with a unique climate and extraordinary combination of mountains and sea. The generous nature has endowed this place with 1700 hours of sunshine, from May till September, and healthy climate. Neat houses, set in green yards, overlook the bay and one of the oldest European towns – Nesebar.

There are supermarkets and a few restaurants and coffee houses,
3 tennis-courts and a playground in the village. Only 50 meters away,
you'll find the crystal clear water of the Black sea and the 8 kilometer long golden sandy beach. About 100 m away from the beach is the small self-contained Villa Nar with a view to the sea.
