Additional information

Additional information: Ten minutes far from the town center, in the eastern part of Bansko, is situated Villa Sveta Petka. It combines the unique bansko spirit and traditions with the modern architecture for maximum comfort and coziness. The villa was built in 2006 and opens doors for winter season 06/07.

We have the pleasure to offer you three luxury appartments in Sveta Petka.

Two of the appartments (AP1 and AP2) are spacious and bright 2-bedroom appartments, each with 90 sq. m. Each of them has two bedrooms, a living room, kitchen and two baths with toilet. The max. occupancy is 4+2 persons.

One of the bedrooms is equipped with king size bed, the other one has two separate beds.

The third apartment(AP3) is one bedroom apartment with 40 sq.m. A queen size double bed is available at the bedroom. The kitchen is fully equipped with

refrigerator, cooker, microwave, etc. the apartment allows maximum occupancy of 4 persons.

Air-condition installed in every room of the three apartments, significantly raises the standard level of the apartment and makes your stay even nicer.

All apartments are tastefully furnished throughout to an exceptionally high standard - making it ideal for a corporate visitor. With windows looking out to the Pirin Mountains, the views from the apartments are understandably magnificent.

Being spacious and suffused with light, the living room is the ideal place to retreat after a busy day watching the news or a movie on the flat plasma TV screen. In the living rooms there is a folding sofa which allows one or two more person to sleep there. Being on the second floor of the building, and fully double glazed, the apartments are an oasis of calm in the most quiet part of Bansko. Off-road parking is possible in front of the apartment building. Every three days, the apartment is serviced and the linen is changed.
