Additional information

Additional information: “Pirina Club” is a brand new three star hotel situated in a new district of Bansko from where is easy to arrive to the old town and to the initial cabin lift station. It is built in the typical Bansko style. We took care to combine the idea for modern comfort with the eternity of stone and wood. The hotel has 30 rooms (2+1), each one with its own toilet and bathroom, cable TV, internet connection and telephone, mini-bar, balcony.

We will welcome you in a modern lobby where you can refresh yourself with coffee or a drink. In the restaurant of the hotel you can try some dishes from the national and European cuisine as well as a rich collection of Bulgarian and Italian wines.
For your rest of full value we would suggest:

* Individual safe for valuables
* Cash payment or through bank transfer
* Transport from and to the hotel by wish of the guests

* Free internet access in each room
