## Additional information

Additional information:

Todorova House is located near the church in Bansko and the city central square, where often various concerts, parties, exhibitions, fairs and other typical for the town celebrations take place.

It is close by the new Molerova tavern, which offers delicious traditional Bulgarian specialties, combined with unforgettable atmosphere and live music.

Central “Pirin” street is just few steps away – there are a lot of taverns and shops for food, drinks, clothes and souvenirs.

The cabin lift is 3 min by car away. (Look at the map in “Contact Us” section)

Todorova House

The house has been build at the beginning of the last century by Chakarovi Family. At the time of the conflagration in Bansko in 1936 it has been affected and burned in its bigger part. Subsequently it has been reconstructed with the help of the so called “king's money” – aids given to those who suffered

the fire disaster in Bansko. Through the years there have been build additional parts connected in the typical for Bansko joined construction. In the east part of the building has been situated the shoemaker's workshop of the owners.

Now the house is generally repaired, keeping the traditional Bansko style and the authentic atmosphere of the Bulgarian national revival.

In Todorova House you will be shroud by the traditional Bansko style with a light modern accent - a spacious living room with a fireplace and soft furniture and a place for different games – backgammon, chess, cards, etc; a dining-room, furnished with modern Italian equipment (incl. dishwashing machine), cozy balcony with places to sit and rest, all rooms are equipped with cable TV and Internet connection.

At the guests' disposal there are: a sauna-room, a ski-wardrobe, a shelter with barbecue, a special playground for children and 5-6 parking places in the yard – everything you need for a quiet and splendid holiday. The house is equipped with electronic security system connected to SOT.

During the winter season guests can take advantage of the best Bulgarian ski-center with various ski-tracks for Alpine combinations, snowboard and ski running.

During the summer season there are options for passages in Pirin Mountain, excursions to villages of Leshten, Kovachevitsa, the breeding-pool near Dobrinishte, the mineral water pools in Ognyanovo, the bear reserve in Belitsa, also the town of the wine - Melnik or Rila and Rozhen monasteries.
