Additional information

Additional information: Welcome to your new home!
It is near the center of Bansko, near the hotel GLAZNE, with amazing view to the mountain.

We would like to combine the comfort offered by the hotels with the silence and the calmness of home; we hope that our guests will find pleasant conditions for complete rest.

There is a double attic room and two flats. The room and both flats have separate WC's and a cable TV. In both flats there are large living rooms, separate bedrooms and balconies with a view to the mountain.
