Additional information

Additional information: Dear guests, welcome at Ivaniko Apartments for rent!

At the very center of the Bansko town, at the main street "Pirin", several steps far from the entrance of the "Holy Trinity" church you can find the comfort of 3 luxury, stylishly furnished apartments, located in a freshly finished building. Each of the three apartments has a modern completely equipped kitchen and a living-dining room with a suite of furniture. Modern heat insulations, luxury PVC joinery and a convector heating system provide your comfort. All apartments have balconies and through the windows you can enjoy a wonderful view over the roofs of the old town. The interior style of the apartments is different, but they are unified by the attention paid to each detail and the lack of compromises in their furniture.

Each apartment has 2 TV sets – in the living room and in the bedroom, equipped with cable TV.

Guests are also provided
with Internet access.

At the table in each apartment a bottle of wine is
waiting for you – our compliment to our guests.
