Additional information

Additional information:	It is often said that in Velingrad SPA-hotel RICH is the cherry on the top of the cake. It seems that only this resort successfully combines the unique town atmosphere with its countless mineral springs; the full valued relaxation and recuperation through the latest spa-technologies; the unforgettable attractions in the tavern, the night bar and the lobby bar. Presidential apartment and luxurious apartment for newly-married couples; rooms equipped with Jacuzzi type bathtubs; Internet access and bathrooms equipped with telephone; swimming pools and terraces with hammocks; gardens with singing and illuminated fountains… It will take us a long time only to list all the qualities

of this place.

If you are attracted to the mountains, the walking tours or the horse riding, SPA-hotel RICH is your staring point.

Brief comparison to prices and services will make your feet joyfully trip to the pleasures of Spa-hotel RICH.

The hotel features 52 rooms, open and underground parking. Personal child care is also available.
There is an indoor and an outdoor pool. The hotel is suitable for congress, conference and seminar events and tourism.
