Additional information

Additional information: The vacation house “At Tanevs’” is located around 7 kilometers to the south of the town of Tryavna /near the town of Platchkovtsy/ in the nature park “Balgarka” – the area of the central “Stara Planina” mountain. The nearby countryside consists of hills and oak forests, with frequent streams and small rivers and is perfect for long walks and picnics in the open. The altitude above sea level is 750m and the climate is cool during the summer, while mild during the winter.

For the enthusiastic tourists there are several walking routs available as well as a number of eco-paths. The countryside is good for mountain touring, mountain biking and etc
