Additional information

Additional information: An authentic village-style cottage built in 1830 and entirely renovated and opened for guests in 2006. The house is located 2 km away from the town of Tryavna and very close to the Lake of Tryavna and Hitrevtsi residential district.

The house offers:

- * First floor – kitchen, bathroom, tavern and fireplace with furnace
- * Second floor – 4 bedrooms: two double rooms, one three-bed room, 1 four-bed room, and bathroom. One of the double-rooms and the four-bed room are heated by dzhamal (an old style stove, embedded in the wall). Huge porch on the second floor.

The cottage garden is adjacent to an ostrich farm. Children`s playground with a swimming pool and a slide are also available. The eco-path to the historical village of Bozhentsi is passing around the cottage.

Come here and enjoy the silence, the fresh air and the nature! You will find everything you need to relax at the end of a hard week.
