Additional information

Additional information: Hotel "White bear" is built in nice place in National Natural Park Sini Kamani – area "Karandila" – 30 km. from Sliven town. You can reach the hotel by asphalt road, well kept during the summer and winter conditions - same road is basic for the whole community.

1200 meters away from the Hotel is located seat lift, which connect the area with Sliven town just for 17 minutes in one direction. 6 kilometers away from it, there is a ski-path with drag-equipment, which works all the winter. 300 meters away is the television tower, close to it there is ground for delta planning. "Karandila" is on 1000 meters above sea level, from where you can discover perfect panorama. The air is recommended for asthma and lung diseases.

Other natural landmarks are: rock formation "Halkata", caves like "Zmeevite dupki", "Peschenik", "Bachvata", century-old forest

“Kushbunar”, “Dragieva cheshma” and a lot of tourist paths that reveal unique beauty of rock massif “Sinite kamani”, springs, waterfalls, variety of flora and fauna.

If you like placidity, cozy and pleasant atmosphere, in combination with elegant style and good services, you can find all of this in hotel “White bear”.

The hotel has available 42 places for sleeping separated in 13 rooms and one apartment. The rooms and the apartment are with independent bathrooms, hot water, TV and modern furnishing. The heat of the whole hotel is local heat.

Extras that Hotel offer:

1. Restaurant with fireplace for 50 guests, with varied menu conformable to traditions of the region.
2. Tavern – Barbeque for 50 guests.
3. Hall for 40 guests for seminars.
4. Sauna.
5. Fitness.
6. Mountain horse riding.
7. Security parking.
