Additional information

Additional information: Complex "BOLYARSKO SELO" is situated in the east section of the yard of residence "Arbanasi Palace". We have magnificent view direction to Veliko Tarnovo town and mountain "Stara Planina". Built in Bulgarian national revival and with skill combine tradition and luxury. You can enjoy incredibly plant life of the yard, calm and snug. And in this time You are at nearness to the center of the Arbanasi village. The village is an architectural museum. Arbanasi includes 144 restoration houses, 5 churches and 2 monasteries. There aren't only tourist sights in the village. There is a big choice of hotels and restaurants. Our location is unique with our proximity to many architectural, historical monuments, churches, monasteries and to the center of Veliko Tarnovo. The distance from the town is 6km. Complex "BOLYARSKO SELO" includes two independent houses, winter garden with fireplace, BBQ and six under cover park places, all in the big and greenery yard. In the first house every flat is independent and make sensation for privacy and snug. The most interesting apartment in the second

house is with luxury fireplace. The other rooms are with beautiful panoramic terraces. All rooms are equipped with cable TV, air-conditioning and well-appointed. The winter garden is like a tavern with 35 places, where visitors can lunch and dinner. Beautiful fireplace make a sensation for snug and calm. Tennis-court fans can play their favourite sport in the nearly court. If You like to ride horses, You can ride in nearless horse base. We have wonderful staff, who will make unforgettable holidays for You.
