Additional information

Additional information: If you have a passion to explore the peace and calmness of a virgin picturesque nature, we offer the right place for you!

We are located 20 km away from Veliko Tarnovo, in the heart of the Balkan Mountains, close to Enevitsa river. The complex has a wonderful tavern, excellent for renting, ideal for private celebrations. Our amenities provide both double rooms and small flats, each of them supplied with a TV and mini bar and you've got the choice to stay either in a self-contained unit, or to share a house with your friends too.

Our menus consist entirely of organic products. You have a chance to prepare your own food, to grill lamb or pork on your own or simply to ask the assistance of the friendly hosts. The Stanimirov House is located in a region where no agricultural activity is carried out.

An old Roman path passes closeby, historically

associated with the names of the legendary Bulgarian heroes Philip Totyo and Vasil Levski.

The fresh, clean air and beautiful mountain nature are not all. Not only relaxing, but also you can perfectly enjoy your time in hunting, fishing and mushrooms gathering which will surely make your holiday unforgettable and unique.

There is a possibility for a walking-tour to Tryavna, which takes not longer than 90 minutes. You will taste the real Bulgarian spirit, if you visit the monasteries nearby - Kilifarevo, Dryanovo, Kapinovo and Plakovo monastery.
