Additional information

Additional information: It is our pleasure to make you this lucrative offer for a relaxing escape et our hotel in Dolna Banya. The Site is 75 kilometers from both Sofia and Plovdiv and at mere 18 kilometers from the winter ressort known as Borovetz. The town of Dolna Banya lies at 650 meters above sea level on the north-east slopes of the Rila mountaine. Dolna Banya (meaning “bath in the low”) is famous for its mineral springs, wich are the source of the thermal water having a vast

span of curing effects. The spring water temperature is 67,8 °C. It is successfully used in treatment of number of diseases: rheumatic, skin and cardiovascular diseases, disorders of the respiratory, digestive, muscular, nervous and genital systems. Mother Nature has bestowed the place with a crystal-clear highly ionized air, free from stressful temperature fluctuations. The hotel comprises 7 single rooms, 8 double rooms, 4 deluxe rooms (2+1), 2 small suites and 2 large deluxe suites. The deluxe rooms and the apartments are furnished with TV sets (satellite TV), refrigerators and telephone. Suites are supplied with mineral water, and each deluxe suite features a sauna and fireplace. Guests who take a suite or a deluxe room will enjoy a water-jet bathtub. The hotel offers a Russian bath (steam bath) with water pool, a lobby bar, and an 80-seat 24-hour restaurant with 2 halls. An outdoor mineral water pool, and an indoor mineral water pool (water temperature 28 °C) may be reached at 4 kilometers' distance. Sauna and massage facilities are available. The proximity of the Borovetz holiday village adds new opportunities for winter skiing, mountaineering (in other seasons), tasting of local wines, etc.
