Additional information

Additional information: “KORONA” hotel is situated close to the centre of the town, close to all important public buildings and entertainment places, and yet far away from the noise and pressure daily round.
The hotel is with capacity to accept about 60 people.
This makes it a suitable place both for individual visits as well as tourist groups.

At the disposal of the guests are 25 rooms with air-conditioners and modern furnishing. In each room there is a TV set with cable television, mini bar, telephone with direct outward dialing and high-speed internet access.

If you like to see the town, visit some cultural monuments or PLACES OF AMUSEMENT, you may ask on the reception desk to get a complete information for all places of interest you shouldn't miss during your stay in Blagoevgrad.

“KORONA” hotel is situated in the center of Blagoevgrad . The town itself is situated at the foot of Rila mountain, Next to the international road

E-79, and it is a convenient exit for any tourist destinations to objects from Bulgarian cultural and historical heritage, like: Rila St.Cloister, the town of Melnik, the town of Bansko ,as also to main tourist routes in the mountain . The mild moderate climate and comfort atmosphere of Hotel “KORONA” offers wonderful conditions for your sufficient rest and entertainment far from the noisy and dynamic every - day.
