Additional information

Additional information: Arbanassi Palace was designed by the architect Nicola Nicolov and was completed on October 17th 1975. Until 1991 the building was a governmental residence. Since 1991 it has been known as Arbanassi Palace*****. In 2001 the hotel was completely renovated and now offers its guests numerous opportunities for relaxation, entertainment and business events.

With its unique setting, Arbanassi Palace Hotel offers the mean to experience a holiday of complete relaxation combined with the full immersion in the history of the region, and the old arts and crafts. Sightseeing, hiking, horseback riding, as well as enjoying the peace and quiet of the surrounding greenery and the beneficial effects of the spa treatments – Arbanassi Palace can satisfy every taste, every wish...

The Hotel features 6 double rooms, 8 luxurious double rooms, 2 junior suites and 3 luxurious suites. All the rooms are air-conditioned, with TV, mini-bar, and telephone. 24 hours room service is

available. The bathrooms are luxury equipped and with a bathtub.

The Hotel has an exceptional Panorama restaurant serving delicious local and international dishes, BBQ restaurant and a small lobby bar with spacious terrace overlooking Tzarevetz – the majestic castle of our old capital – Veliko Tarnovo.

The Roman Baths - unique attraction for the guests of Arbanassi Palace. Built according to an Italian project, the facility is matchless all over the country.

The hotel also offers the best sport facilities – a modern gym, sauna and solarium, to keep up the good shape. Qualified fitness instructors will help you work wonders with your body and mind.

For those who prefer outdoor sports a grass tennis court is available.

Don't miss also to ride race horse in Arbanassi's horseback riding club,
