Additional information

Additional information: In the very heart of Bulgaria Sonata is situated. Round about green pine trees, mountains and unspoiled nature. Just few kilometers away from Borovets. In winter Borovets is your first choice of a ski resort. No wish will remain unfulfilled. In summer Borovets is fascinating with its high mountains and the green lovely valleys. Here you can go for a tramp through the nature and see the two rivers called white Iskar and black Iskar.

You are searching for a relaxing calm holiday? Sonata provides you all you need. Our house is deliberately arranged in that way people can enjoy the nature and the silence they need. We are proud to say that our cuisine offers a huge variety of meals and drinks. If you wish something special, our cook is looking forward to surprise you with his best.
