Additional information

Additional information:	In the secluded town of Devin lies the Hotel "<u>Wellness & Spa ISMENA</u>" right in the heart of the beautiful Rhodope mountain. Devin is located just 186 kilometers south of the capital of Bulgaria - Sofia and 80 kilometers south of Plovdiv city. Devin is known as the Rhodope pearl and is situated at an altitude of 710 m above sea level. It is a town combining multiform relief, picturesque nature, mild climate and presence of several different types of mineral springs. It is this combination of nature, air and water, as well as the hospitality of hotel residence Ismena itself, that makes the place attractive and unique for the visitors.
-------------------------	---

Devin hotel "Wellnes & Spa ISMENA" is an original vacation place for people seeking good health and vitality, close contact with nature and unique experiences. The fresh, agreeable coolness of the climate and the large number of sunny days, have a stimulating therapeutic and prophylactic effect.

The complex offers its guests 6 attractive two floor houses. The first floor consists of a dinning room, common room with a fire place and a bathroom. The second floor of each house has two seperate bedrooms, each with its own bathroom. In front of each house there is a covered veranda, an open terrace and green spaces. Secured car parking is available.

The new complex also offers the following facilities to its guests:

- * SPA center (in-door swimming pool with mineral water, Rhodopa type and traditional steam bath, jacuzzi, theurapetic pool, massages, etc.);
- * Summer garden restaurant;
- * Lobby bar;
- * Information center;
- * Shops;
