Additional information

Additional information: FORUM hotel-restaurant is located at the town centre on a key and easy accessible place - the corner of the streets General Stoletov and Hadji Dimitar Assenov. It is a restored building dating back to 1891 which has been announced a cultural monument and has been opened for guests since March 2006.

The hotel rooms are spacious and sunny, all with air-conditioning, central heating, inroom personal safe and LAN internet connectivity, hair-dryer, direct telephone line. The furnishing style is simple and convenient at the same time. The electronic lock system is designed to make the guests feel at ease. A conference hall with 60 seats, equipped with multimedia and a screen; a massage room with an infra-red cabin are at the disposal of the guests as well.
