Common

Title: Damyan Rooms
Property Type: Apartments

Additional information

Additional information: Terzievi family offers to you a private apartment that is an entire floor of a house in the centre of Bansko. The apartment consists of cosy furnished bedroom, living-room with folding suite of furniture, kitchenette and bathroom - lavatory. Looking out the window you can enjoy the wonderful view of Pirin Mountain and the ski-tracks.

The house has a steam-heating system, so you will always have warm rooms and hot water. You can have at your disposal a special heated room for ski-equipment and also a computer with cable Internet connection. There is a barbeque in the house's yard , which you can use too.
