Additional information

Additional information: Whatever the season...spring, summer, fall, winter... each brings an intimate mood to the splendor of the Rhodope Mountains that will make your visit very special.

Welcome to "Tishina" - the ideal place to relax, revive and get away from noisy big cities...

Here you'll find four clean, quiet and cozy rooms with a balcony, spacey lounge and oldstyle dining room.

Place for friends. This is a family owned villa located at 1500m above sea level in Rhodopes, Bulgaria.

Your hosts Mihail and Sophia will be pleased to meet all your vacation needs-accommodation, catering, transportation, sightseeing etc.

As guests, you'll enjoy the everlasting charm of local habits, homestyle hospitality and the unforgettable atmosphere of an evening in Rhodopes, spent in the company of bagpiper and "cheverme" (traditional roast lamb).

What we offer you

Now that you are here, we invite you to explore, be entertained or just relax as you discover why people of every nationality and culture love being in Rhodopes.

Looking for a taste tempting adventure?

Try original "cheverme" baked right here as hot and spicy as your buds can take it.

You probably have never heard of "kachamak" or "patatnik"?

This is the right time to taste all of them!
