St. Nikola's Church, the Monkey House of Master Koliu Ficheto, and the Samovodska Charshiya Street - the renowned old Bulgarian craft-shop street - are all within walking distance. Your comfort and peace is guaranteed at our

welcoming and cozy guest house. If dynamics is what you seek, Turnovo's cafes and night clubs are open for you. If you take delight in food, you will find in the vicinity many restaurants offering traditional Bulgarian as well as international cuisine.
