Additional information

Additional information: Yankovskata Kushta has 4 bedrooms each with its own bathroom (shower bathroom and toilet) and TV with more than 30 cable programmes. Local heating keeps your room warm and cosy..

If you are a nature lover, in winter and summer you can indulge in your favourite activity or hobby. There is a tennis-court and playground quite nearby.

From the house you can rent bikes for a mountain ride. You can play table tennis in the yard in summer or chess and cards inside in winter.

Fishermen can try their luck and catch Balkan trout in the mountain swift currents or the well-bred dam lake in Pamporovo, buy live trout from the breeding-pond outside Chepelare or just order some as a meal in one of the numerous town restaurants.

You can have an enjoyable nature walk with a

chance to pick mushrooms and herbs or visit the region landmarks.

Some of the most interesting tourist routes lead to Chudnite Mostove (Wonder Bridges), The Gorge of Trigrad, The Cave of Yagodin, Dyavolskoto Gurlo (Devil's Throat) or Shiroka Luka folk museum..

In Chepelare there is the only one in the Balkans Cave Museum, as well as a Ski Museum which was opened in honour of the Olympic title of Ekaterina Dafovska in biathlon.

B On the ground floor there is a tavern with a fire-place where our guests can have a cup of aroma coffee or a drink with friends.

Depending on what you prefer you can listen to Macedonian or modern music..

For our guests convenience food can be ordered in a restaurant nearby. Delivery and serving are our duties. (Only we charge 10 per cent.)

On previous day notice you can have home-made or Rodopi specialities.

With our guests' wish and or preliminary notice other specialities or grill meals with their own provisions can be prepared.

If they wish, our guests can get their grill meals ready themselves. The charcoal barbecue will be lit upfor them.

For our guests' needs there is a fridge in the tavern to keep their provisions fresh.
