Additional information

Additional information: The complex for wine is tourism “Studenets” is situated 2 km from the ancient Thracian center – the Temple of Sitalk, dated IV century BC. Just next to the Temple we have an exciting opportunity to sense the spirit of the Ancient Thracian, who left as heritage to the generation the art of making wine.
On a ground of 8decars there are wine production plant, cellar and a hotel for 50 guests, a rotunda for wine tasting, restaurant, built in a folk style, offering local specialties as well as international cuisine, pool, SPA center, summer garden and a conference room.
The hotel has to offer 2 apartments with a fireplace; 4 studio type rooms, 8 double rooms and 8 bedrooms. Upon your request we can organize a safari, visit of the archeological site with an archeologist, hunting, fishing as well as a special wine tasting tour.
