Additional information

Additional information:	The Presidivm Palace hotel is situated in the heart of the town of Lovech, near the administrative and the business centre. In neighbourhood you can visit the unique covered bridge - the only one of this type on the Balkan Peninsula, which was constructed by the great Bulgarian master builder Kolyo Ficheto. The covered bridge connects the restored in a baroque style part of the town with the old town which has a great historical significance. Close to the Varosha quarter of the Bulgarian national revival is located the Hisar Fortress, where was founded the second Bulgarian State.
