Additional information

Additional information: Spa Complex "Elbrus" - Velingrad

Velingrad is situated in the west part of Rhodopa Mountain. Thanks to the natural resources, Velingrad joins the first ranks of the Bulgarian balneological resorts. Total capacity of the 80 hot springs is about 170 liters per second. Because of the healing property of the water, there have been built a lot of balneological centers.

One of the modern and famous SPA centers in Velingrad is hotel "Elbrus". Using the healing property of the thermal springs "Elbrus" offer medication of:

- Neuropathy disease
- Disease of the kidneys
- Sterility

The hotel consists of 47 rooms and 7 apartments, well-appointed depending on the category. Each one of the rooms has:

- Bathroom with shower
- TV set with cable television
- Phone

For the convenience of our guests, we offer breakfast, launch and dinner at our restaurant. Here you can enjoy the taste of traditional for the Bulgarian cuisine dishes. There is a summer garden with a BBQ set and a swimming pool.

Along with the magnificent conditions for rest and accommodation, the guests of “Elbrus” can enjoy the services of our SPA center. Here you can find:

- Swimming pool
- Sauna
- Solarium
- An individual SPA capsule – with 11 rehabilitation programs of “Well system” – Germany
- Fitness
- Physiotherapy center – equipped with installations for electro and super-sound therapy.

You can use our conference hall for seminars and educational programs.
