Additional information

Additional information: Our hotel is located in the center of the village and is the starting point of all tourist routes. Built in the 1956 to be the local school, it was in 1980's transformed into hotel and recently renovated. We combine the local tradition style with the modern conviniences.

With our attention to the smallest detail and our diligent service we always try to satisfy even the most demanding of our guests.

The rooms are spread over three floors and each one has:

- 1 apartment - 37 m2 with 2 double rooms
- 2 triple bedrooms - 30 m2
- 1 double bedroom - 30 m2

All rooms face a mountain - Tournalata, Grand Perelik or Orpheus. Every room has a personal bath and is equipped with multi-channel TV's. Additionally, all the rooms on the second floor are with balconies.
