Additional information

Additional information: The town of Byala is situated on the beach of the Black sea, at a distance of 55 km from Varna and 75 km from Bourgas. It is a quiet, silent and sunny little town, located near a mountain that forms a unique climate, which gives perfect conditions for thorough relaxation from early spring, to late autumn.

Nearby is located the town of Obzor, and a little bit further on the south, the rolling in luxury Sunny Beach.

Stella Palace villa will give you quietness, safety and luxury, which are indispensable for a lovely vacation. And all this only 150 m away from the beach!

The villa has disposal of two bedrooms, each one with separate bathroom, WC and air conditioner. One of the rooms has three beds, while the other room has a huge, comfortable bedroom suite and possibility for additional folding bed.

Spacious living room on two levels, with well equipped kitchen, in which you may prepare tea, coffee or dishes, according to your personal taste.

For your good mood, we have satellite TV, DVD, and luxury stereo CD player available. Free parking lot for two automobiles, secured 24 hours!

Stella Palace villa is suitable for a big family or a circle of friends. It has a big covered terrace with a big table available for party or dinner with spectacular view towards the sea. You have also barbeque at your disposal.

In the villa you can always find cooled alcohol or soft drinks. Two kind people will take care of your pleasant stay.
