Additional information

Additional information: Located some 8 km to the south of the center of Gabrovo, the hotel "Strannopriemnitsa" is a part of the ethnographic open-air museum "ETAR". Picturesquely situated at the foothills of the Balkan Mountain Range and next to the stream Sivek, the hotel provides all conditions for a year-round recreation, far from the town noisiness, and combined with the authentic atmosphere of the National Revival Period. The hotel complex guarantees coziness and calm amidst the coolness of the fresh mountain air and natural beauty of the countryside. Built and furnished in unison to the whole appearance of the ethnographic museum, the hotel affords opportunities for an active recreation, business trips and meetings, conference and festival activities among the unique charm of the folk lifestyle, combined with up-to-date achievements. The hotel disposes with 83 beds in 8 single rooms, 29 double rooms, 3 triple rooms, and 1 room with four beds and 2 apartments. Each room has a

private shower or bath- room, WC; TV set with satellite programme, telephone.

The hotel complex offers a comfortable day-bar with rich assortment, a traditional "mehana"- a tavern, cozily furnished in folk style and famous for the local culinary specialties, prepared here, a National Revival tavern with summer terrace and a classic-style restaurant.

For the guests' comfort, the hotel provides a room service within the working time of the catering facilities and a payable parking lot. There are and two conference halls with a capacity of 40 and 80 seats.

The hotel "Stranopriemnitsa" at the ethnographic open-air museum "ETAR" is the ideal place for a holiday of full value amidst the authentic beauty of the Balkan scenery. It is a right choice for relaxation during the weekend or for business activities throughout the year.

Here we take care of your comfort and pleasure and our main goal is to satisfy your expectations and wishes.
