Additional information

Additional information:

The “BRIGANTINA” *** tri star hotel is only a few meters from main shopping street, on the Ravda bay panoramic road, leading straight to South beach, between luxury small family hotels, which offers isolation and escape from the overloaded and satiety big holiday centers. Plush cherry-coloured furniture with combination of glass and alumina frames give a non-importunity impression for a modern design and present-day forms, extremely comfort and luxury, which will accompany us for all holiday time, just after you have moved. We have gladly felt from a dazzling panoramic view, that expects us, entering into the angle rooms and apartments with its panoramic windows, assist to have full detailed marine view.

The“BRIGANTINA”*** hotel offers, except on the summer coffee-bar, also a guest restaurant, a conference/symposium hall, an elevator as well. The hotel offers a billiard table on a turned platform and

a kid's corner like amusements. It has have rent a ricksha for cruises on the panoramic avenue.
