Additional information

Additional information: Hotel-tavern "Cheshmata" is located in the center of the village of Arbanassi. The hotel has five double rooms with cable-TV, bathroom and WC. Our guests can use a broadband internet connection on the reception.

For tourist agencies we offer special lunch and dinner menus.

The hotel has a restaurant with 60 seats and summer garden with barbeque.

Arbanasi is situated on a high plateau, 4 km. from Veliko Tarnovo away. The greatest tourist attraction in this village is the unique architecture (houses and churches) dating from the Bulgarian national revival - 16th-17th century. The houses impress with their austere external architecture with solid stone walls. There are 5 churches and 2 monasteries in the village of Arbanassi. It is proclaimed an architectural reserve and is included in the

UNESCO's world heritage list of valuable cultural sites.
