Additional information

Additional information: Hotel "Elinor" is situated in quite and calm quarter of Bansko, aside from the daily traffic of growing resort. At the same time the hotel is 5 minutes walk from the old quarter of the town where the museums and the attractive traditional restaurants are situated. It's also 15 minutes away from the gondola.

Elegant, stylish and cozy- "Elinor" Hotel offers excellent recreation conditions during all seasons .

The hotel offers double rooms with extra bad. Every room is equipped with a TV, tell, refrigerator, balcony, hair drier. Wood furnishing, in the best Bulgarian style, brings cozy and comfort.

Enjoy the Bulgarian cuisine and European specialities

The restaurant of the hotel Elinor has 40 seats. It is suitable for company party, celebrations, family and friends gatherings. It's very easy to change in order

to meet our guests requirements.

At big Christian holidays, like Christmas Eve, Christmas, Easter, you can feel traditional Bulgarian atmosphere.

You will be impressed from the variety of Bansko cuisine and the odour of the meals, cooked on fire. Kapama, Katino meze, sache, guyveche, banski starets, sudguk, karvavitsa and so on are cooked by old recipes. There are a lot of meals for vegetarians.

Health and Beauty – Refresh Your Body and Mind

Sauna- A Healthy Ritual

The main benefit of Sauna is that it opens the pores and flushes out the body's toxins. It is the deepest cleaning bath of the world. The Sauna soothes and relax tired muscles, helps maintain clear, healthy skin, provides a cardiovascular workout, burns as many as 300 calories in a session, increases metabolic rate and improves circulation.

Sauna relieves tension and stress. Sauna provides temporary relief of arthritic pain- many arthritis patients use the Sauna daily.

Steam Bath and Aroma Therapy

Steam Bath exerts of about 45°C with 100% air humidity, which leads to pleasant sweat making the skin smooth and tender. The advantage of the Steam Bath are care of the hair and skin and their regeneration, as well as relief for the lungs. Steam Bath have a cleaning effect too. Special materials in the premises and the Aroma-therapy philosophy add special charm to the experience of the Steam Bath.
