Additional information

Additional information: Kavaldjievi villas are situated in the village of Rashevite, just three kilometers away from Tryavna. The villas are two and both of them can accomodate 18 people. Triavna is a picturesque town situated in the middle part of The Balkan Mountain in the central region of Bulgaria. Range 435 meters above the sea level. The climate is soft. The summer is pleasant and cool and the winter is not very cold, which combined with the old architecture of the town, provide wonderful and unique atmosphere for winter Triavna.

Every year tourists are visiting Triavna during all of the seasons. Every season has its own charm and the typical beauty - the bright freshness of the just wakened nature during the spring is gradually playing in the calm and tender green warmth of the summer, and is slowly maturing in the golden - red garments of the fall, which is than stepping back for ethereal transparency and whiteness of the snowy mountain winter.

All this natural magnificence is waiting for you to

enjoy it, far from the noise and pressure of the big city - a real revelation for your spirit and soul.

Numerous historical - cultural and natural sightseeing and will make your stay in the site a real feast. The surroundings of Triavna, the beech and pine forests, the wide green meadows around the village are a great site for tourism, outings and walks, herbs and mushroom gathering, or just a rest in the shadows of the trees during the hot summer days.
