Additional information

Additional information: Situated in the centre of the Rhodopes mountain, in the county side "Malina", the family hotel "Markony"*** has gathered the beauty and the magic of the mountain. The hotel offers to its clients a real possibility to run away from the chaos of the big city and the daily problems. There are 8 double room apartments in the hotel. In each apartment there is a TV set with a satellite and a telephone. There is a traditional Bulgarian restaurant in the hotel, which offers cool in the hot summer days and warm intimate atmosphere in the cold winter nights. At the restaurant you can taste dishes, which are typical only of the Rhodopes' region, even "Rodopsko cheverme", fixed on a barbecue. In the winter the hotel organizes even a ski-school, where each kid or an adult can learn fast and easily to ski or snowboard. They can use the equipment and the ski-wardrobe, given by the ski school. The guests of the hotel can revive their energy in the hotel's sauna or relax in the hot Jacuzzi, after have been engaged in sports.
