Ethnographic complex "Chiflika" - Primorsko

Ethnographic complex "Chiflika" is situated at the foot of national park "Strandja", 5 km. far from the beach of Primorsko. The region is ecologically clean and is fully isolated from the crowded and noisy cities and

resorts. In the mean time it is suitable for any type of tourism:

If You are “sea and sun lover”, the biggest and the most beautiful beach in the South Black Sea Coast is only 10 minutes away by car.

If you like the nature – the main tourist routes in “Strandja” pass just near the complex. For You “Chiflika” has one more surprise – a mini zoo where You can see rare bird species which are not typical for Bulgaria.

“Ropotamo”, the biggest preserve for plants and animals in our country, is just 15 minutes away by car. This is the habitat of more than 80% of the flora and the fauna in Bulgaria. There you can find also the famous water-lily which is threatened with extinction.

The unique location of the complex is a guarantee for one unforgettable holiday in peace, combining the mountain with the sea.

About the

Complex Since 2005 **ethnographic complex “Chiflika”** welcomes its guests in the summer and in the winter.

The complex consists of a hotel part with an inner tavern, an outside restaurant, a handicraft and ethnographic corner, a magnificent spacious Courtyard and a **mini zoo**.

The hotel has 9 rooms with 2 beds, 2 rooms with three rooms and 1 apartment. Each room has a tv, a mini-bar, a local heating and of course – the indescribable view of the “Strandja” mountain.

The **inner tavern** has 60 seats and is designed in typical Bulgarian ethno style. The warmth of the fireside, the taste of red wine and the perfect service contribute to the entire unique atmosphere of the tavern and make it one of the favorite places of our guests in the winter.

The **outside restaurant** has room for 300 guests and in the summer it becomes an arena of an unique folklore program including interesting choreography, live music, traditional Bulgarian dances, games with the guests, fire-dancing over live coals and much more. Ethnographical complex “Chiflika” is also one of the

few places in Bulgaria, where You can try the traditional Bulgarian recipes. </p><p> In the winter “Chiflika” organizes hunting outings for every kind of game (big/small/ winged). The complex provides food, accommodation, guides and transport. </p>
