Additional information

Additional Location
information:

"Holiday village Lozenets" is located 65 kilometers South from Burgas, between the resorts Kiten and Tsarevo in a tranquil bay on the sea shore. The architecture of the village is constructed in Scandinavian style. Two- and three-floors villas are located close to the beach. The capacity of the Holiday village is 660 main beds. The wide beach, the unique sand dunes, jets and water-wheels, the opportunities for under-water fishing and the surfing-school make the resort an attractive place for tourists. There are well-trained life-guards and a doctor, who look after the safety of tourists on the beach.

Accommodation

The holiday village offers rooms with two, three and four beds and maisonnettes on two floors with five beds – all they have their own toilets and bathrooms. Thirty of the rooms are re-innovated and have some extras: large terraces, air-conditionings, mini bars, TV sets and a satellite television make comfortable conditions for family relaxation. There is all the time a constant water-supply of the rooms with hot and cold water.

Restaurants and places of entertainment

On the territory of the Holiday village work a restaurant; a bistro; a pizzeria; a disco and a shop for packed goods. There are various foods and beverages you may buy there – goods for adults and for children. Foods for the groups of tourists is served at the restaurant on a smorgasbord /breakfast, lunch, dinner/

Medical service

There is a licensed consulting room in the holiday village with a good medical serving, where tourists may have a qualified medical care by a doctor.

Entertainment

There is a centre for tourist services and excursions in the holiday village. Professional entertainers organize cultural programs like “A Night for making friends”, “Getting to know the Bulgarian cultural”, “A Night for fun”; competitions “Miss and Mr. Lozenets” and many other study groups, sports games and competitions, which take place at the beach and on the open scene of the holiday village for the tourist groups. There is also an Internet centre for playing computer games and entertainment, placed at tourists’ disposal.

Sports facilities

There is a table-tennis hall for amateurs and professionals on the territory of the holiday village;

a hall for holding courses and cultural activities;
open-air kindergartens; a combined football field
with electrical lighting for mini soccer playing,
volleyball and basketball games with standard size,
the field is fenced by a wire-net and covered by a
synthetic grass.
