Additional information

Additional information: The complex is about 3.5 km away from the St. Constantine and Elena Resort Complex in Vinitza residential area in the town of Varna. A perfect combination of architectural design and nature make up the beautiful panorama terraces abundant in green life and flowers, overlooking the sea, as far as the eye can see. A detached water pool, a summer bar and a restaurant with a garden complete the picture.

Each of the vacation houses has area of about 150 square meters and comprises a sitting room section with a kitchen, a dining corner and a recreation corner in an inglenook. The two bedrooms of 25 square meters each, with closets, are upstairs. The bedrooms open into balconies bathing in the sun and overlooking the sea. Each bedroom has its own bathroom; one of them is with a bath, and the other

with a shower. There is also a guest waterloo. The furnishing aims at luxury and nevertheless the interior design follows the ultimate objective of style, comfort and coziness where each detail has been made with love to the last touch.

The perfect services rendered and the modern conveniences provided intensify the feeling of being at home - round-the-clock room service, telephone, internet, cable TV and a rent-a-car with a driver at request, to name just a few. The complex offers bus transport services to the beach, the city and the resort complexes in order to make your stay there more pleasant.

A unique contribution to the typically Bulgarian atmosphere is the restaurant. There the visitors are in for a pleasant surprise, the restaurant and the cuisine are the best reflection of the Bulgarian traditions. Everything here is not only authentically Bulgarian, but refined, too. You can find an exquisite combination of the traditional Bulgarian cuisine and the modern European gourmet tendencies. The restaurant has a fine selection of the best wines from renowned chateaus all over the country. Moreover, this sophisticated celebration for the senses is staged in the ever-lasting Bulgarian yard with a fireplace, an oven, a grill and a burning open fire spreading warmth and comfort mingled with the unforgettable odor of the sea, the scent of roses and the fresh wind.

The beautiful Saint George Chapel further accentuates the unique style of the complex adding to the atmosphere of hospitality, the atmosphere of Bulgaria and the orthodox spirituality, which we, the Bulgarians, have been proud of so much and have cherished in our hearts for centuries on.

The good service, the comfortable surroundings and the traditional Bulgarian hospitality are just a small part of the attractive offers of the vacation houses. The guests to the Sveti Geori Complex can also enjoy the following:

- a green children's playground with an attendant and animation

- a secure 10-place car park.

There are further services available in the complex,
such as:

- transfer arrangements;
- sight-seeing;
- interpreter and guiding services;
- purchase of tickets;
- hunting and fishing;
- boat voyages

A hippodrome with a Horse Riding School is
situated nearby.
