Additional information

Additional information:	The 71 m high building of Hotel Bulgaria is situated in the heart of Bourgas. The hotel has 16 floors, each of them with a spectacular view to the Bay of Bourgas or “The old town” part of the city.

As soon as the visitor crosses the door and enters the lobby, he can only but appreciate the calm atmosphere and peacefulness, which he has found. Welcomed by a friendly and attentive team, he will immediately feel at home.

The special care given to the smallest details puts the finishing touches to the general harmony of a room where it feels good to stay. For those who want to combine work with pleasure we have specialized in the organization of different kinds of seminars and congress meetings.

To make your stay even more effective and comfortable we are offering to you high speed wireless internet connection at the Mezzanine bar and the main restaurant.

Hotel Bulgaria has two restaurants and three bars situated on different levels of the hotel building where you can try the typical Bulgarian cuisine or just have a drink in a calm and comfortable atmosphere
Hotel Bulgaria has 91 single, 67 twin bed rooms and 10 Junior suites. The calm atmosphere of the lobby is transfered from the quiet music in the elevator to the cozy and comfortable rooms where it feels good to stay.

The refinedly furnished and up-to date equipped Junior suites are offering excellent opportunities to combine your business trip with a pleasant stay.
