Additional information

Additional information: Welcome to Four Fifteen!! Come and join us in our second summer open, and discover this brand new Hostel in the center of the Sunny Beach resort, just a few steps away from the beach and the historic town of Nessebar. This is a great opportunity for you to come to Bulgaria and spend unforgettable holidays, enjoying the clear sea, soft sands and the beautiful nature, and taking advantage of what this resort has to offer you: nice beaches, night life, water sports, tours, restaurants... FourFifteen has a wonderful, relaxing atmosphere where you can meet people from all over the world, make new friends, and share a traveler's tale or two. Here you'll feel at home even

if you are thousands of kilometers away from yours.... We are the only Hostel in the southern part of the Bulgarian Black Sea so we want you to have the best experience here! We care more about the comfort of our guests than crowded bedrooms. We consider common areas like the garden, the swimming pool and the Caf  -bar essential for everybody to enjoy and to get to know each other! Here you can come to rest, to meet new people, to explore the beach, to discover the historic towns around or just to stop for a night in between your trip... We are happy to introduce you to FourFifteen Hostel, a special place born in our wandering minds a few years ago and an idea grown in different parts of the planet to become, today, a new destination for you to add some colors and a mixture of experiences... A Hostel run by travelers with the main purpose to share with you our passion of getting lost in each corner of the world! Cheers!
