Additional information

Additional information: Hotel "Mirage" is situated one kilometer away
from the center of Bourgas on the main road.

It is located on a suitable road junction with a direct way to Sunny Beach, Varna, The South coast and the capital.

The luxury comfort and standard which the hotel offers makes it the most attractive and modern place in Bourgas, suitable not only for business visit but also for vacation and tourism.

The unique architecture of the "Mirage" hotel, which resembles the mast of a ship with filled out sails and a panorama view to the sea, makes the hotel the preferred place for visits during the whole year.

rooms The four-stars hotel disposes with 72 cosy furnished rooms, top-quality luxury apartments and studios, made by individual design projects. They are furnished with the best, modern audio and video equipment.

apartments Each bathroom in the eight apartments is well-appointed with ceramics, produced from the world famous Italian company VERSACE, and there are TV-s in each one of them.

vip hall In the hotel, there is a business center, in which the guests of the hotel can use a computer, on-line Internet, fax, copy machine, printer. Internet is also available in the business rooms of the hotel. On one of the panorama-view floors is the V.I.P. hall with 20 seats in it, which is luxury furnished for individual business meetings.

restaurant The refined and comfortable restaurant offers 100 seats and a unique cuisine.

The culinary masters specialists take care of hotel guests' good mood.

beauty centre The Beauty Centre is the best one in Bulgarian eastern part.

There is not only a hairdresser's parlour but also the most modern numerous anticellulite, sauna and massage equipment.

fitness The fitness room is equipped with various professional apparatuses and highly skilled instructors.
