Additional information

Additional information:	Our house is located in the centre of the town of Obzor, 150 metres away from the sea. Nearby the house you will find restaurants and different recreations, as well as a lot of shops and tourist attractions. The park and the renovated square, where musical entertainments are frequently organised, will contribute to your good mood and full rest. What we dispose of as rooms and beds is suitable for families with children. Our guests can also take delight in the cosy yard, resting in the shades of an old walnut tree.
