Additional information

Additional information: The Lola hotel is the best choice you can make in
Sozopol. Lola Hotel is one of the best and most

pleasant places that you can choose to stay in for your holiday. Suitable for tourists and business people similarly, it is situated on the top of a hill facing the Black Sea offering incredible scenery. The hotel was built a few years ago in a privileged location in Sozopol, as mentioned before it is just 500 metres from the clean, hot, golden sand of the beach and the cool blue waters of the sea. The hotel is separated from the noise of the city giving you the right kind of rest but is still just seven minutes on foot away from the city centre. We believe that this lovely and peaceful hotel will try to make you feel home abroad. The friendly, qualified staff was chosen with years of service experience, making every effort, ensuring that our guests enjoy their stay. You will find yourself next to the midst of the city sights and scenes and everything that could be of a possible interest. Your days of stay will be enjoying and fulfilling, as there are plenty of places to visit such as: night concerts, historical museums, theatres and numerous shops. At the end of a long and adventurous day you can retire to the much-needed comfort and tranquility of your room or pay a visit to one of the clubs in the sea town. To the guests of Lola is offered an outside, discrete pool on the lower ground floor surrounded by a small garden as just next to the pool there is a small cocktail-bar that can serve you any refreshments you like and that also runs the small open cafeteria under a shaded terrace. Breakfast is also served there every morning. There are small fitness facilities for those of you who want to keep fit as well as a guest safe for your more valuable items.
