Additional information

Additional information: The four stars hotel Belmont has been built in 2005 and it is a modern, contemporary 6 floor building. It is located in a peaceful and quiet area in Pamporovo, within 1000m of the ski tracks.

Belmont has 78 rooms – 4 luxury VIP apartments, 14 other apartments and 60 double rooms. The warmth and the space in the hotel will make you feel good and perfectly rested.

All guests have at their disposal a classic restaurant, traditional Bulgarian tavern, exquisite lobby bar with terrace, cocktail bar, billiards and bowling. There is also an internet room, a conference hall with modern equipment and capacity of 90 seats, a ski wardrobe, fitness and covered pool.

The rooms are well-appointed and supplied with TV, telephone, mini bar, bathroom, room service and internet.

The pride of the hotel is its modern SPA center which offers sauna, hot tub, solarium, massage room, SPA capsule, water massage bed and also a “getting thin” program.

Here you will be offered a variety of entertainment: snow sledge, buggies with an instructor, a tour in the region. During the summer you can climb the Rhodopi mountain with a bicycle or go for a walk with a guide. You can go sight-seeing in Pamporovo, near-by are located Rozhen and Bachkovo monasteries, "The marvelous bridges", Trigrad gorge, the caves "Devil's throat" and "Jagodinska". All these phenomena of the nature evoke emotions and leave pleasant memories behind.
