Additional information

Additional information: Пампорово has a unique claim to fame - this bright, modern ski resort is the sunniest in Europe.
PAMPOROVO - SKI MAP

It boasts no less than 270 sunny days a year on average, and in the winter manages a ideal combination - plenty of snow and plenty of sparkling sunshine to show off the resort at its best. Пампорово is high among the Rhodope Mountain in Southern Bulgaria (a beautiful region, once said to have been the home of Orpheus), set among magnificent pine forests. In the hart of the resort, within 500m distance from the main lift area

THE MALINA VILLAGE is the best place for groups and families to stay.
