Additional information: Diana Hotel is a family hotel where we aim to provide warmth and homely atmosphere to our guests. The hotel was completed in 2003 as part of a project under a Programme for accession of Bulgaria to the EU, whose objectives are to support and develop environmental tourism in Bulgaria.

In closest proximity are the beaches of Albena Holiday Resort, which have been awarded the Blue Flag Prize every year, as a symbol of world standards for water and sand cleanliness, and quality of service.

In direct proximity to Diana hotel is the favourite slope of para- and delta-planners. Here is the trajectory of Via Pontica, the migrating birds' route known to the ornithologists.

In addition to the quiet atmosphere, fresh air and unspoiled nature, only 2 km away from the hotel our guests could immerse into the fairy-like atmosphere of night-time Albena - casino, many discos and night clubs, countless attractions.

The hotel has:

WC, shower
en-suite bathroom
a mini-bar
air-conditioning
a terrace restaurant sitting up to 50 people
barbeque
own car parking area
