“Vikoni” family hotel is one of the newest hotels in Bansko. It is situated closed to the first station of the cabin lift. The hotel is build and well-appointed in a modern style, which makes your stay comfortable and pleasant.

All of the hotel rooms are equipped with TV set, cable TV, mini bar, telephone and an internet connection.

There is a conference hall, which can be used for presentations, seminars, conferences and other events.

Furnished in a modern style, the restaurant and the

lobby bar are the right places for taking rest and spending your free time. We offer about 50 seats there, so no matter how big is your company we are pleased to serve you. Believing in the professional methods of approach of our well educated team, we are sure that “Vikoni” hotel will contribute for your perfect rest.

Delicious dishes from the traditional for the region cuisine will satisfy your discriminating taste. Although we are following the traditional for the Bansko region styles, we can offer you different dishes from the European cuisine.
