Additional information

Additional information: The Mini-complex "Green Hills" consists of 6 houses, a swimming pool, a playground and a barbeque near the swimming pool. Each house has three bedrooms, two bathrooms, spacious living room with a fireplace, a modern kitchen, a large lounge and also an air conditioner, satellite, signal security equipment, rent-a-car. The mini-complex is located in the Yunets village, 10 kilometers north of the town of Byala town, at the feet of the Stara Planina Mountain. In the region are located 3 Reservation parks: Biospheric Reservation park "Kamchia" under the UNESCO protection, "Valchi Dol" and "Kirov Dol". There are 2 protected places: the hunting grounds of "Sherba", famous for its rich population of deers, does, wild pigs and moufflons; and "Kamchia Sands", which is a part of the longest

beach on the Bulgarian coast - over 10 kilometers.
The climate is favorable for the treatment of people with lung diseases. The virgin nature and the incredible combination of sea, mountain, river, forest and a dam will certainly make the holiday unforgettable. The guests of the mini-complex "Green Hills" may enjoy: -A walk with the truck - Safari of the remarkable places in the region, with many games for children and adults -A horseback riding, shooting with archery and air rifle, tasting the best wines and brandies; -A walk with the favorite ship of Christopher Columbus; -water attractions - water slides, jets, water skiing, rented boats, banana, jet driven ring; -the path of health; -monitoring and photographing the various birds and rare plant and animal species; -hunting in the century-old forests of Sherba and Longoza; -fishing in the Kamchia river spills and seashore; -organized excursions with preliminary reservation for museums and cultural attractions. The mini-complex "Green Hills" works all year round. Escape from the everyday stress and give yourself the holiday, which will charge you with the necessary energy!
